

Padideh Chemi

Design and construction
of industrial, inorganic
and chemical projects

Padideh Chemi

Pioneer in the chemical and mineral industry
For Today & Tomorrow

Phone: +98 35 35284122

Fax: +98 35 38278705

Mobile: +98 9191406519

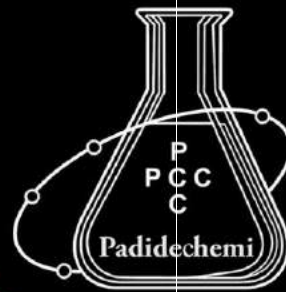

Email: padideshemi.group@gmail.com

Address: Yazd, Iran

Address: Alborz Science and Technology Park, Iran

Reza Jadidoleslam
Managing Director

Magnesium Production

Basic material

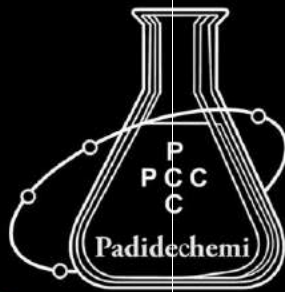

- 1) Sea water
- 2) Magnesite mineral ores
- 3) Combined magnesite with sea water

Application in industries

- | | |
|--------------------|----------------|
| 1) Ceramic | 7) Aerospace |
| 2) Pharmacy | 8) Aircraft |
| 3) Refractory | 9) Alloying |
| 4) Tire & rubber | 10) Automotive |
| 5) Water treatment | 11) Medical |
| 6) Agriculture | 12) Electronic |

- Lecturer
- National Inventor
- Member of the National Elite Foundation
- Member of the Innovation Committee in the Industry Ministry
